HOW DOES THIS WORK?

It's simple:

- * Upon contact, we'll send you a simple (we promise!) questionnaire to gauge your interests. Based upon your answers we'll put together a written proposal.
- * With the proposal in hand you can either accept, ask for changes/clarifications or decline.
- * Once accepted, we'll invoice you. The tour must be paid in full before we start.

We'll take your budget, schedule & expectations into account to make sure we offer you a tour you'll love.

Let's talk about money...

- * Our quote will be based on an hourly rate, discounted for longer tours of four, eight hours or more.
- * There is no difference if you're alone or ten plus people in your group.
- * The quote will include all cost for the guide, but your tickets, entry fees, hotel, food etc. will need to be paid separately on site at the respective venue (unless otherwise agreed).
